## **Vogue Poland Beauty Special**

**Amélie Ambroise is a French photographer.**

**After working alongside the late master Peter Lindbergh for 7 years, Amelie developed her own artistic signature sought after by prestigious brands such as Hermès, Cartier or Chloé, and esteemed publications including HTSI, Vogue and the NY Times magazine.**

**An image maker in the broadest sense, Amélie combines photography and video with other materials, bringing to her work a creative effervescence imbued with timeless elegance.**

**Deep black & whites, vibrating colours, grainy blurs and graphic pirouettes are among her favourite tools to create ethereal fashion series, spirited portraits and impish animations.**
